

MENAT HAWTHORNE PINK

FRONT END WEB DEVELOPER

WWW.MENATPINK.GITHUB.IO

ABOUT ME

My name is Menat Pink, i am a self-taught web developer with over 3 years experience on a variety of projects, both individually and in a larger group environment. I have a passion for creating seamless and smooth user interactions, and I aim to constantly be learning new things. Whilst specializing in front-end development, I am also currently learning database development and java at university.
